CONTACT US

A TOUCH THAT LIGHTS THE WOLRD

ONE TOUCH ELECTRICAL SERVICES

ABOUT US

One touch Electrical and Construction Services (One Touch) is a 100% Indigenous owned Electrical and Construction Company. With a combination of astute electrical problem solving skills, a passion for customer service and a can do attitude, One Touch found a way to deliver successful electrical outcomes for Industrial and domestic customers throughout Zimbabwe.

Firmly rooted in the Capital City of Zimbabwe, Harare, since September 2018 One Touch Electrical and Construction Services (Pvt) Limited began as a small business that through hard work and commitment to quality, has become one of the best electrical installation and construction companies in Zimbabwe.

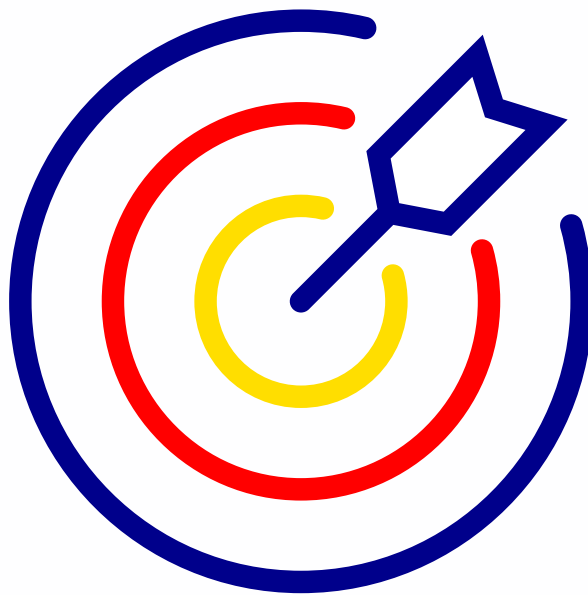

ABOUT US

OUR MISSION

Our mission is to provide innovative, strategic and commercially-minded Electrical advice and services which deliver the highest value outcomes for clients

OUR VISION

To be regarded as an industry leader in the delivery of Electrical installations and construction advice and services, in both complex and high value projects

ABOUT US
